

Muftau Opeyemi Adebisi

Planning Engineer (UPDA GRADE A)

Mobile No: +974 3162 2623 | **Email:** adebisiym@ymail.com | **Location:** Al Wakrah, Qatar

Summary

Highly motivated and results-oriented Senior Planning Manager with over 20 years of experience in the construction industry, specializing in infrastructure and building projects across diverse sectors. Proven track record of leading teams, developing and executing comprehensive project plans, optimizing resource allocation, and ensuring on-time and on-budget project completion. Possess strong expertise in project scheduling with Primavera P6, cost control, quality assurance, safety management, and team leadership.

Key Skills

:

- **Project Management:** Adept at creating, managing, and executing project plans, adhering to project baselines, and ensuring project momentum (8+ years of experience).
- **Planning and Scheduling:** Expert in developing and maintaining detailed project schedules using Primavera P6 to meet project milestones and contractual requirements.
- **Resource Management:** Proven ability to optimize resource allocation across teams and projects (extensive experience demonstrated throughout work history).
- **Team Leadership:** Skilled in building and motivating high-performing teams, fostering collaboration, and providing direction (leadership experience as Project Manager).
- **Cost Control:** Strong knowledge of cost estimation and control methods, ensuring projects stay within budget .
- **Quality Assurance:** Proven ability to implement and monitor quality assurance practices, ensuring project deliverables meet specifications (experience in Quality Control Manager role).
- **Safety Management:** Committed to upholding safety standards and procedures on construction sites.
- **Contract Administration:** Familiar with contract terms and conditions, ensuring project compliance (experience in Project Manager role).

- **Construction Knowledge:** Possess a strong understanding of civil engineering principles and construction methods.
- **Project Tracking and Reporting:** Skilled in generating clear and concise project status reports, keeping stakeholders informed of progress and potential changes.

Professional Experience

Planning Engineer | Honain Al Doha Decoration (November 2023 - Present)

- Developed and maintained detailed project schedules for the "Construction of Additional Buildings Police College, Hassanesco" project using Primavera P6, ensuring alignment with project milestones and contractual requirements.
- Coordinated with project managers and site supervisors to monitor progress, identify potential delays, and implement mitigation strategies.
- Conducted risk analysis to proactively address potential issues and ensure project success.
- Prepared and presented regular project status reports to stakeholders.
- Successfully reduced project delays through effective scheduling, resource management, and proactive risk mitigation.

Planning Engineer :| HKH Construction & Associate Nigeria Limited (June 2017 - September 2023)

- Project: Construction of 4 Fuel Stations for AP Oil marketing company.
- Key Achievements:
- Successfully managed and completed the construction of 4 fuel stations within budget and ahead of schedule.
- Developed and implemented comprehensive project plans, including detailed schedules and resource allocations.
- Effectively managed project budgets, ensuring cost-effective execution and minimizing deviations.
- Coordinated with subcontractors and suppliers to ensure timely delivery of materials and services.
- Maintained high safety standards and compliance with all relevant regulations.

Site Engineer : | Joakin Nigeria Limited (November 2011 - May 2017)

- Project: Epic for Oil & Gas Data center building in Kaduna Refinery facility, Kaduna State.
- Key Achievements:
- Led the successful construction of the Epic for Oil & Gas Data center building, meeting all project objectives.

- Developed and implemented a comprehensive project plan, including detailed schedules and resource allocations.
- Managed project budgets effectively, ensuring cost-efficient execution.
- Ensured adherence to quality standards and safety regulations throughout the project.
- Successfully coordinated with various stakeholders, including clients, subcontractors, and regulatory authorities.

Site Engineer: | Stralvin Engineering Limited (March 2009 - August 2011)

- Project: Reconstruction of 25Kilometer road between Mile12 to Ikorodu, Lagos State Ministry of Works.
- Key Achievements:
- Successfully completed the reconstruction of a 25-kilometer road within budget and on schedule.
- Developed and implemented a comprehensive project plan, including detailed schedules and resource allocations.
- Managed project budgets effectively and ensured adherence to quality standards and safety regulations.
- Successfully coordinated with government agencies and local communities during the construction phase.

Civil Inspector | Consquad Construction Nigeria Limited (September 2003 - March 2007)

Key Achievements:

- Ensured compliance with quality standards and specifications on construction projects.
- Conducted regular inspections and quality control checks.
- Prepared and maintained detailed inspection reports.
- Contributed to the development and implementation of quality assurance procedures.

Education

- B.Eng. Hons. Civil Engineering - University of Ilorin

Additional Qualifications

- ISO 9001:2015 Lead Auditor Training
- Diploma Project Management
- Council for the Regulation of Engineering in Nigeria (R. 44975)
- Urban Planning and Development Authority (Grade A:36832)

Software Proficiency

- Primavera P6
- Microsoft Office

شهادة قيد مهندس
