ABOUT ME

With 13 years of experience in the interior design industry, I have honed my expertise in creating innovative and functional design solutions for residential, commercial, and hospitality spaces. My extensive background includes all aspects of the design process, from conceptualization to execution, and I have consistently delivered exceptional results that meet both aesthetic and practical needs.

JOB EXPERIENCE

SENIOR INTERIOR DESIGNER 2021 - Present

AERIS ARCHITECTURE - DOHA, QATAR

- Developed detailed floor plans, 3D renderings, and mood boards to present design concepts to clients, helping them visualize the final product.
- Conducted site visits and inspections to ensure designs were executed according to plans and quality standards.
- Assisted in the selection of furniture, finishes, and accessories, ensuring that all choices aligned with the overall design concept and budget.
- Collaborated with other designers and professionals, fostering a team-oriented approach to complex design challenges.
- Coordinated with contractors, architects, and suppliers to ensure smooth project execution, on-time delivery, and adherence to design specifications.

SENIOR INTERIOR DESIGNER 2016 - 2020

INTER ID MEW - DUBAI, UAE

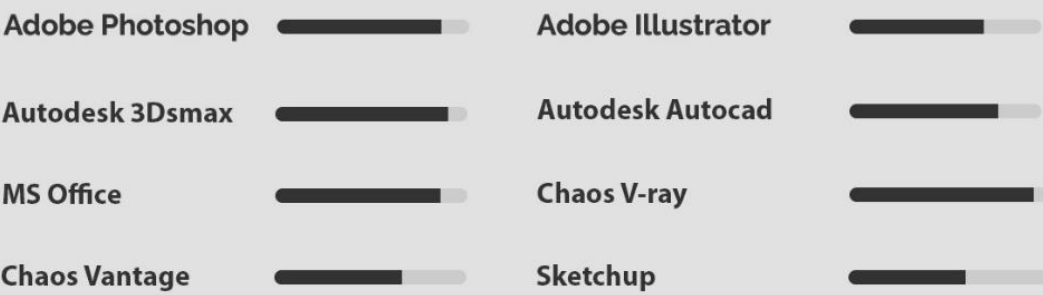

- Assisted and supported the Design Head in managing and executing interior design projects from concept to completion for residential, commercial, and hospitality spaces.
- Developed detailed floor plans, 3D renderings, and mood boards to present design concepts to clients, helping them visualize the final product.
- Coordinated with contractors, engineers, and suppliers to ensure smooth project execution, on-time delivery, and adherence to design specifications.
- Provided expert advice on color schemes, furniture layouts, space planning, and design elements to create aesthetically pleasing and efficient spaces.

INTERIOR DESIGNER & 3D VISUALIZER 2012 - 2015

BLACK BOX DESIGN LLC- DUBAI, UAE

- Developed and conceptualized interior layouts, furniture arrangements, and décor schemes to create functional, aesthetically pleasing spaces aligned with client preferences and project goals.
- Created high-quality 3D renderings and animations to bring design concepts to life, allowing clients to visualize the final space before implementation.
- Assisted with efficient space planning, ensuring the best use of space while optimizing functionality and flow in interior designs.
- Worked closely with architects, contractors, and suppliers to ensure the successful execution of designs, ensuring high-quality standards and timelines were met.
- Visited project sites to ensure design integrity, monitor progress, and resolve any issues that arose during implementation.
