About Me

Personable and dynamic International School Teacher with 16 years of experience teaching Physics. Motivated to help students learn in a natural and effortless manner.

Dedicated professional who excels at building productive relationships with students and addressing individual educational needs. Adept at employing a variety of instruction techniques and methods to motivate students and ensure their understanding of class material. Highly organized, develop lesson plans and schedules well in advance. Excel at assessing student performance and identifying the right approach to correct any deficiencies.

Proficient at creating lessons that are interesting and also develop skills and knowledge. Great communicator who values the opportunity to work with and provide support to colleagues.
